— ABOUT ME

Always looking for strong visuals, I can provide valuable skills.

- Great attention to detail
- Communication and team spirit
- Often working out of comfort zone
- Focus on meeting deadline

- Knowledge about most of the solver
- Knowledge about optimizing cache and simulation
- Proficiency with pyro (+ sparse), POP, RBD and vellum
- Comfortable with shading most FX
- Good notion of the PDG system and USD workflow
- Generalist experience useful for problem-solving
- Fundamental knowledge of Python, VEX

> French (bilingual)
> English (fluent, level C2)
